I love this restaurant! My family hosted my 40th surprise birthday party here and it was a huge success. Between the friendly staff, the amazing food, and live entertainment from beautiful Carmella, it was the perfect place for a special night!

We decided to have my sisters 50th birthday party at la Luce restaurant. I picked this venue because of the location and the excellent reviews on the food.

The night was an overall success but we couldn't have done it without Carmelina. From the moment we walked in the door, she made us feel completely welcome. She made sure all of our needs were met and went above and beyond to make this celebration a special one.

Carmelina made sure our room was beautifully decorated and treated our guests with love and kindness. Her meticulous talent at perfecting every detail made us feel how much she cared about making our function a success one. She really takes the stress off of the event planning. She completely set up our room the night before to ensure we did not have to worry about the details. I want to say thank you to the staff of la Luce, but I want to give a special thank you to Carmelina. We couldn't of pulled it all off without her and we will forever be grateful to Carmelina for her amazing talents, support and professionalism.

If you are looking to do any type of an event I would highly recommend this restaurant.

La Luce Ristorante hosted my mother's birthday party. They did a fantastic job accommodating our party of 25 people. Carmelina and Richard were very helpful and forthcoming for all the various details we presented them with. On the day the serving staff were friendly and very helpful. The venue is well appointed and very comfortable place to be. The food was well prepared and served hot and was very delicious. They have an out of this world pizza oven that makes the most delicious pizza that i have had in a long time.

Even if you weren't going to plan an event there you owe it to yourself to go for dinner. It is a sparkling neighbourhood gem hidden away in a nondescript strip mall, but once you discover it you will be going back many times.

Bravo La Luce Ristorante for a job well done and thank you.
